

April Communications Report
April 29, 2020

Greetings,

Just a quick note to update you on this month's Club Communications.

We received this lovely thank you from Jessie Robb:

Dear COF members! 4/15/20

Thank you for all the
Cards and phone calls
from our COF friends,
they meant so much
to me especially during
these "social distancing"
times.

Thank you, too, for dedicating
the April newsletter to
Chuck's memory. COF
was very important to
him for many years.

Sincerely,

Jessie Robb

Due to the City of Fresno Shelter in Place Order still being in effect Dave cancelled the May 5, 2020 COF Board Meeting. He is hoping for additional word before deciding whether or not to officially cancel the May General Meeting. In addition, he will be looking into alternative methods for June Meetings.

As previously reported by email, absent any meetings or runs, the Production of Fiberglass Forever has been temporarily suspended.

The last Fiberglass Forever, provided online and by email only, announced April, Birthdays and Anniversaries. Ron (VP – Membership) asked that we initially acknowledge our upcoming May Birthdays and Anniversaries with this correspondence. Further he indicated he plans to formally acknowledge them all once we start meeting in person again.

To begin with, he wanted me to correct one birthday. Dick Johnson’s birthday was shown as being March 29, 2020 when in fact it is today April 29, 2020 ...

“Happy Birthday Dick”
