- Decided the September COF Board Meeting will be done via Zoom on September 2nd starting 6:30 p.m.

Ron Lindegren (VP – Membership)

Ron Lindegren reported that the Club has 98 members and 68 cars; no General Meeting means no drawings. Ron advised that **Ron and Pat Mattos are selling their Corvette and will not be renewing membership.** He also reported that 2 email inquiries were made for membership, he responded to both emails, but both were rejected as unable to deliver. Ron also updated membership directory (Louie's email address.) August Birthdays and Anniversaries were reported in the July Communications Report. Name tag for next meeting still at \$20.00.

Betsy reported that she sent out the July Communications Report on July 29, 2020. **Thanks Chris, for keeping the website up to date!**

Betsy worked with Ron on the slips that Mokey will send to members along with their 2021 Membership Dues invoice which shows current information on file. **We are asking that you confirm information is accurate and/or update information on file such as Corvette year and model and license, then sign and return slip along with their payment of 2021 COF dues.**

{Editor's Note: We present the COF Board's Recommended Slate of Officers for the coming year during the September General Membership meeting, at that time the President also asks if there are alternative nominations. This year, we will handle these responsibilities via email/snail mail in early September.}

Sending Hugs and Well Wishes to all! Betsy Lindegren

Lee Blackstone (VP – Activities)

Lee informed the Board Members that he inquired in regards to the Club's Picnic in October and as of right now there will be no activities at the club house, unless something happens in the near future. Lee felt that at this time we should not expect any activities for the rest of the year.

Allen informed us that he was approached by Billie in regards to the Veteran's day parade, which as of now it has not been cancelled, he has sent the request to WSCC for the Insurance purposes, and will go from there. At this time, we do not know that the City of Fresno is going to do, but in the meantime, he is going to go forward on the request.

He also inquired in regards to the Christmas Party, but again, at this time it is still up on the air.

Stay safe and healthy! Lee Blackstone

{Editor's Note: Lee sent an email update on August 25th, see below}

Billie Talley has been contacted by the Fresno Veterans Day Parade committee. She has the application for our club to participate. She would like to get a head count of members that would like to join in the parade. Billie will work out the logistics and maybe go to a restaurant depending what is open by then.

Those of you planning on participating in the 2020 Fresno Veteran's Day Parade , please respond to Lee with an email at leeblackstone@comcast.net, or

text or phone call him at 559 283-2489, so he can do a sign-up sheet from home.

Gerri Ware (Sunshine Representative)

Good News First:

Socorro and Louie Biglieri are going to be Great Grandparents. Their granddaughter is expecting a baby girl in November.

Now for the not so good news:

Louie Biglieri is having hernia surgery the 12th of August.

Today Carol Trauger fell and broke her elbow in 5 places. She will be having surgery on Monday August 10th. I will send her well wishes from Corvettes of Fresno. Carol is in a lot of pain. Please keep her in your prayers.

We did get mail from WSCC stating that Neil Anderson founder of North Bay Corvette Assn. passed away on July 13th. Neil was 80 years old and had been sick for the last month.

That's all for now.

Remember stay safe and don't forget to always wash your hands.

Miss all of you! Gerri Ware

Allen Teixeira (WSCC, Representative)

Allen thanked Betsy and Ron for all of their hard work on getting the meetings up and running for the Board members. He reiterated that we all appreciate this.

Here's hoping we will all be together soon! Allen Teixeira

A MESSAGE FROM COF PRESIDENT, DAVE TRAUGER

Still Missing You, and wishing the very best for us all.

Love and care, Dave Trauger
