As you can see above, in addition to good eats, we plan on having some fun events.

I do want to point out the Grand Prize Drawing that was approved at our January Board Meeting. One of our member, Mitch Koligian, has generously offered his property in Cayucos for a Cayucos get away (3 days 2 nights) ... You will have to bring your own bedding and towels. To enter, you need to purchase tickets at \$50.00 each making checks to be payable to "Terry's House," a 501c3 organization very close to his heart. Tickets will be sold & Drawing will take place at the Picnic. So, don't forget to bring your checkbook. Here is a link to this charitable organization's website:
