Ron Lindegren (VP – Membership)

Ron Lindegren reported that as of December 1st COF has 85 club members and 65 cars. He then read the names of members whose membership was cancelled; pointing out that this should all have been done at our November Board meeting. Ron explained that given this years' COVID challenges he waited one month past the deadline to allow additional time for members to rejoin. Club By-Laws state that annual dues paid after the September General meeting must include a payment of \$20 late fine. **Editor's Note: The Board authorized waiver of late fees for membership renewals received no later than October 2020.**

Ron has sent the updated online directory to all Club officers and to Chris Campbell for website. He also sent the final list of members eligible for club payment of WSCC insurance to Allen Teixeira so that Allen could arrange payment in the amount is \$1,715.00.

After the meeting, Ron will send Kerry all the updated membership information for the 2021 Club Directory printing.

Lee Blackstone (VP – Activities)

Lee Blackstone reported that he had no replies for the Christmas Sanger Parade; this is a very different thing from past years and the change of time (evening) may be the reason for it.

Run for the Hills run: Lee reported that he has 15 cars and some waiting. More information and itineraries will be sent hopefully in the middle of February.

Lee wishes that we could do more runs but unfortunately due to COVID-19 we are all in stuck mode.

Until then, Stay Safe! Lee Blackstone

Gerri Ware (Sunshine Representative)

Gerri reported that the Sunshine report was a little cloudy today...

She asked how Carol was doing and Dave Trauger had Carol come and talk to the Board. Carol asked us all to wish her luck because she was going to the Doctor's on the 22 and if it is not as good as he wants it to be, he is going to make a decision and maybe break it again and start all over. We expressed our sympathy, and we are praying for good news soon. **Editor's Update: Carol saw a specialist, received a new brace that assists in rehabbing her elbow and is now on the mend.**

Gerri reported that upon learning of Terri's passing, she sent Dave Cavanaugh and his family a plant on behalf of the Club. She also spoke with Dave and feels that he is having a tough time.

Lee Delap informed Gerri that Noni is doing better and better every day, she is still in Kaiser hospital.

Nick DiLiddo had elbow surgery due to his fingers being numb and his doctor is hoping that this takes care of this problem. Angie reported that he was starting to have some feelings on his fingers so this was good news.

A Message from Dave Trauger, COF President...

The Board and I hope that you all had a Merry Christmas and we wish you a Safe& Healthy...
