That's all for now.

Stay safe and remember to wash your hands. Gerri.

Lee (VP – Activities) “reported that there are no runs to report on due to this pandemic; maybe we will be able to plan something for June or July, but at this time is not possible because the State does not allow more than 10 people per group.

It was discussed that maybe we go to a run and stop and get sandwiches, but this is still not viable. **The club has to adhere to WSCC rules and regulations in regards to the Club’s liability.** In regards to the General Meeting... Lee asked Allen if a social distancing meeting would be acceptable with WSCC despite guidelines related to numbers in attendance... Allen suggested that we wait until next month. **The Board agreed with Allen to wait at least a month as well. There will be no General Meeting in June.” Lee submitted written comments below:**

OKAY, NOW WHAT?

What a strange time we are living in, just when you think we may be getting back to some normalcy in our lives, the “normal” keeps changing. So, with the lightening of restrictions happening, now we are hearing the Covid-19 numbers and hospital admissions are skyrocketing. Depending who you believe and what you hear, the reality is we are continuing to be restricted in our activities as a group. With that said, **we will have another Board meeting via Zoom on July 1st. Please bring any concerns or ideas to any board member prior to that date.**

We have no general meeting date or location set up as of now as we would be outside of the Covid-19 meeting rules and regulations. Keep an eye on your emails as this will be the new normal for communicating until we can meet again as friends.

Probably a good thing we postponed Tahoe 51 until next year as the state of this pandemic continues to linger. As of now we have no runs on the schedule, however President Dave is attempting to contact different venues to see what some options for a “private” run destination may be available. Details to follow.

We still have the club picnic tentatively scheduled for October 3rd at the Quail Lakes Community Center. We will keep you abreast of the details as we get closer. Thanks for your patience, I’m sure this is no fun for any of us.

Until next time, stay safe and healthy. Lee Blackstone, VP Activities

A MESSAGE FROM COF PRESIDENT, DAVE TRAUGER

Well, this has been a really exciting 4 months I really miss the camaraderie and enjoyment of your company. I will have to get a refresher course of names and faces when we get back together. The Board has been meeting on Zoom, which has actually worked out pretty well with the help and management of Ron & Betsy.

At our Zoom Board meeting for July, we are going to bring up the possibility of in-person meetings in August. As most of you know, the Board unanimously decided to delay Tahoe 51 to 2021. We weren't sure of what Reno and the Silver Legacy would require, and it was getting too late for them to answer our concerns. Due to the lack of concrete answers, it also was getting too late to organize the vendors and events. Hopefully, by January we should be on firmer ground relative to this health situation and the requirements of Reno and the Silver Legacy.

Speaking of the health situation, most of us are in the most vulnerable group, other than nursing homes. For your individual comfort zone, please don't feel there is any pressure by the Board or Club, to get you or your spouse to do anything or go anywhere you are not comfortable. Also, if you feel any of the myriad symptoms, get tested and then be considerate of others and stay home. This includes the regular flu or common cold, all of which are caused by related COVID viruses. As far as masks, do what you are comfortable with.

I have found that Yosemite Falls cafe is requiring masks and a temperature check to come into the cafe and then spacing sitting arrangements out to meet current guidelines. Hopefully, we can all get together in late August.

Love and care, Dave Trauger

APPENDIX A

June 4, 2020

Hi Everyone! **This is Tahoe 51 Update #3**, and the final for 2020!
Here is hoping everyone is still Healthy and Safe!

Well here goes After speaking with the Silver Legacy on Tuesday and explaining to the COF Board what may take place, the board has decided to pull the plug! We are all disappointed and you will be receiving your refund within 2 weeks! Here are some of the reasons for the postponement of Tahoe 51.

#1 Safety.

#2 Insurance liability with our insurance carrier.

#3 The Legacy could not confirm what restrictions might be in place at the time of our event.

#4 We ran out of time to do it right.

#5 Our resources have become very limited, with several not registering by this time. Many are not sure if they want to attend with what is taking place.

We are sorry to have to postpone our event! We will keep everyone informed of the new date. We are all disappointed to have to postpone Tahoe 51, we were all looking forward to seeing everyone especially after taking a year off. We will pray that next year everyone puts God in their lives! and everyone will love their neighbor as they would love thysel Matthew 22 verse 39!

Again, Thank You for trying to make Tahoe 51 a great success! We will be looking forward to next year, and please everyone, stay healthy and safe! Make sure you keep an eye on your refund and please let us know if you don't receive it within the next 2 weeks!

Sincerely,

Corvettes of Fresno
