

## **March 2021 Communications Report March 25, 2021**

**This is the first President's Exhaust in 1 year because we haven't had much to talk about.** We held our first in-person meeting since last February at the Yosemite Falls Café at Granite Park last Tuesday the 16<sup>th</sup>. It was great to see all the shining, happy faces. I'm going to have to start remembering names and faces all over.

As previously stated, **we don't plan on limiting any membership rights for non-participation in face-to-face meetings.** These meetings, and any runs or get-togethers, are meant to be fun. There is no pressure to attend any event that you are uncomfortable with. I would hope that if you don't feel well or if you're nervous about in-person meetings you follow your own personal choices. We all know the CDC guidelines and encourage everyone to follow those guidelines. As usual, masks are still required in the Central Valley, along with Social Distancing.

All that being said, **Lee Blackstone has several events in the works, which are listed in his report.**

**Darrick Duerksen has the honor of owning the first C-8 in the club. Louis and Socorro Biglieri are proud owners of a new C-8.**

I would like to take this opportunity to thank Betsy Lindegren for all the work she has put in with running the Board Meetings on Zoom and the Communication Reports she has put out for the last 12 months. She has gone above and beyond the call of duty to ensure continuity of information. I truly believe that she has been the biggest factor in keeping Corvettes of Fresno functioning and alive, so when you see her please recognize her efforts with a big Thank You.

**Save the wave, Dave Trauger**

Webmaster Report: President Dave Trauger advised us Website is up to date.

New Business / Old Business: Bob Reinke brought back the “Nick DiLiddo Perpetual” award (AKA turn around trophy.) Mr. Reinke was the last participant and he felt that he had it long enough. There has been a lot of members that have received this award, with Mr. Bert Sherman having had it the most. After much discussion it was decided that Mr. Reinke will still keep it for now.

Name tag drawing: Our last Name tag drawing was on 2/16 20, and the winner was Cece Karlie who was not present, therefore the raffle stayed at \$20.00 for a year. This month’s winner is Bruce Garlock who was present and won the \$20.00. Next month’s drawing will be worth \$10.00.

50/25/25: Winners of \$52.50 were Lee Delap and Tommy Watkins (guest.)

There being no further business, a motion to adjourn the meeting was made by Buddy Pond and seconded by Debbie Dukes. Motion approved.

Before leaving President Dave Trauger thanked everyone for coming and informed everyone that due to COVID the Board of directors decided to stay one more year; come October the Club will elect new Board of Directors. The process will start in August, nominees will be announced in September, and new board members will be elected in October. **All active members are encouraged to contact current Board Members for information about their duties, then volunteer to run for office.**

Meeting adjourned at 7:45pm.
