

June 24-25: Nethercutt Museum & Crystal Palace hosted by Dave Trauger. We plan to leave Fresno early in the morning, stop for breakfast somewhere along the way and then attend the 10:30 tour. There are a lot of things to see at the museum besides cars and it is free of charge. The tour will be over around 12:00 – 12:30. Afterwards we will stop somewhere for lunch then head to Bakersfield to the Crystal Palace. We will enjoy dinner and the show at the Crystal Palace and spend the night in the hotel next door.
