

**We have been advised that the 2020 Fresno Veteran's Day Parade will now be a "virtual" rather than in person Parade.**

Billie has been working with the event organizers to get up to date information for us all and Allen Teixeira has offered to assist her with recruiting volunteers. What we now need are **volunteer corvettes and drivers to participate in the filming for this virtual parade. The filming will be done on September 11, 2020** ... driver's are asked to meet at Billie's no later than 11:30 a.m. so that we can drive as a group to the Veteran's Hospital to pick up our veteran passengers. We will then proceed to the 509 Club (1<sup>st</sup> & Shields) which is where filming will take place, and finally return your Vet to the Veteran's Hospital. Probably be on your way home by 1:30 p.m.

**Please email Allen Teixeira before next Tuesday (9/6/2020) noon, to let him you are volunteering for this event.**
