

2023 competitions

Entering single pigeons (US\$ 750 per pigeon)

- US\$ 750/fancier to be paid with intake into the AFRIKAPRO loft.
- Overseas fanciers can send a minimum 1 and a maximum of 20 pigeons to AFRIKAPRO loft.
- Local South African participants can send a maximum of 15 pigeons.
- All pigeons that return within 3 days after the activation race of 115km will be due for full payment of US\$ 750/Pigeon.
- Participants will have 5 days to pay the full entry fee for all his/her pigeons that return from the activation race.
- Participants who failed to pay the full entry fee, pigeons will be disqualified and removed from the series.
- Single pigeon entries will not compete in the Black Jacket Competition.

SINGLE BIRD ENTRIES WILL COMPETE IN THE FOLLOWING COMPETITIONS:

BLUE JACKET COMPETITION - ACE PIGEON

This competition will determine which pigeon performed the best across the series of 14 races. The ACE PIGEON will be determined by their accumulated flying time over all 14 races in the series. All pigeons will take part in this competition with a total of 200 ACE pigeon prizes.

FINAL RACE

All pigeons that make it to the Final Race will compete for a total of 200 prizes.

The organisers reserve the right to make adjustments to the distance to ensure a race of approximately 9 hours in duration.

SPRINT SERIES

The Spring Series starts with the first race at 130km and ends with the 6th race at 280km, and each pigeon's flying time will be accumulated to crown the top 10 Sprinter ACE pigeons of the year.

COUNTRY CUP

The accumulated time throughout the series of the first 3 pigeons per country will determine the country winning the Country Cup trophy. No prize money will be paid to the winning countries.

2023 competitions

For a full team (US\$ 15,000.00 per team)

The formation of syndicate teams will be allowed by single bird entrants to enable all participants to enter a full team. Overseas fanciers may send a maximum of 20 pigeons/team & local South African fanciers may send 15 pigeons.

FANCIER OF THE WEEK

The winner of the weekly prize will be determined by the fancier whose first 2 activated pigeons record the shortest accumulated time on that weekend's race.

BLACK JACKET COMPETITION - CHAMPION FANCIER

Fanciers can activate a maximum of 10 pigeons weekly to participate in the Black Jacket Competition. The participants accumulated flying time of his/her first 2 pigeons will count towards their net accumulated time in the series of 14 races.

The participant with the shortest flying time will be crowned the CHAMPION FANCIER.

BLUE JACKET COMPETITION - ACE PIGEON

The competition will determine which pigeon performed the best across the series of 14 races. The ACE PIGEON will also be determined by their accumulated net flying time over all 14 races in the series. All activated and reserved pigeons will take part in this competition.

FINAL RACE

The organisers reserve the right to make adjustments to the distance to ensure a race of approximately 9 hours in duration. All activated and reserved pigeons that make it to the Final Race will compete for the prize money.

SPRINT SERIES

The Sprint Series starts with the first race at 130km and ends with the 6th race at 280km, and each pigeon's flying time will be accumulated to crown the Sprinter pigeon of the year.
