Term 4 commences
NO CANTEEN THIS WEEK

Prep Writing Party !!

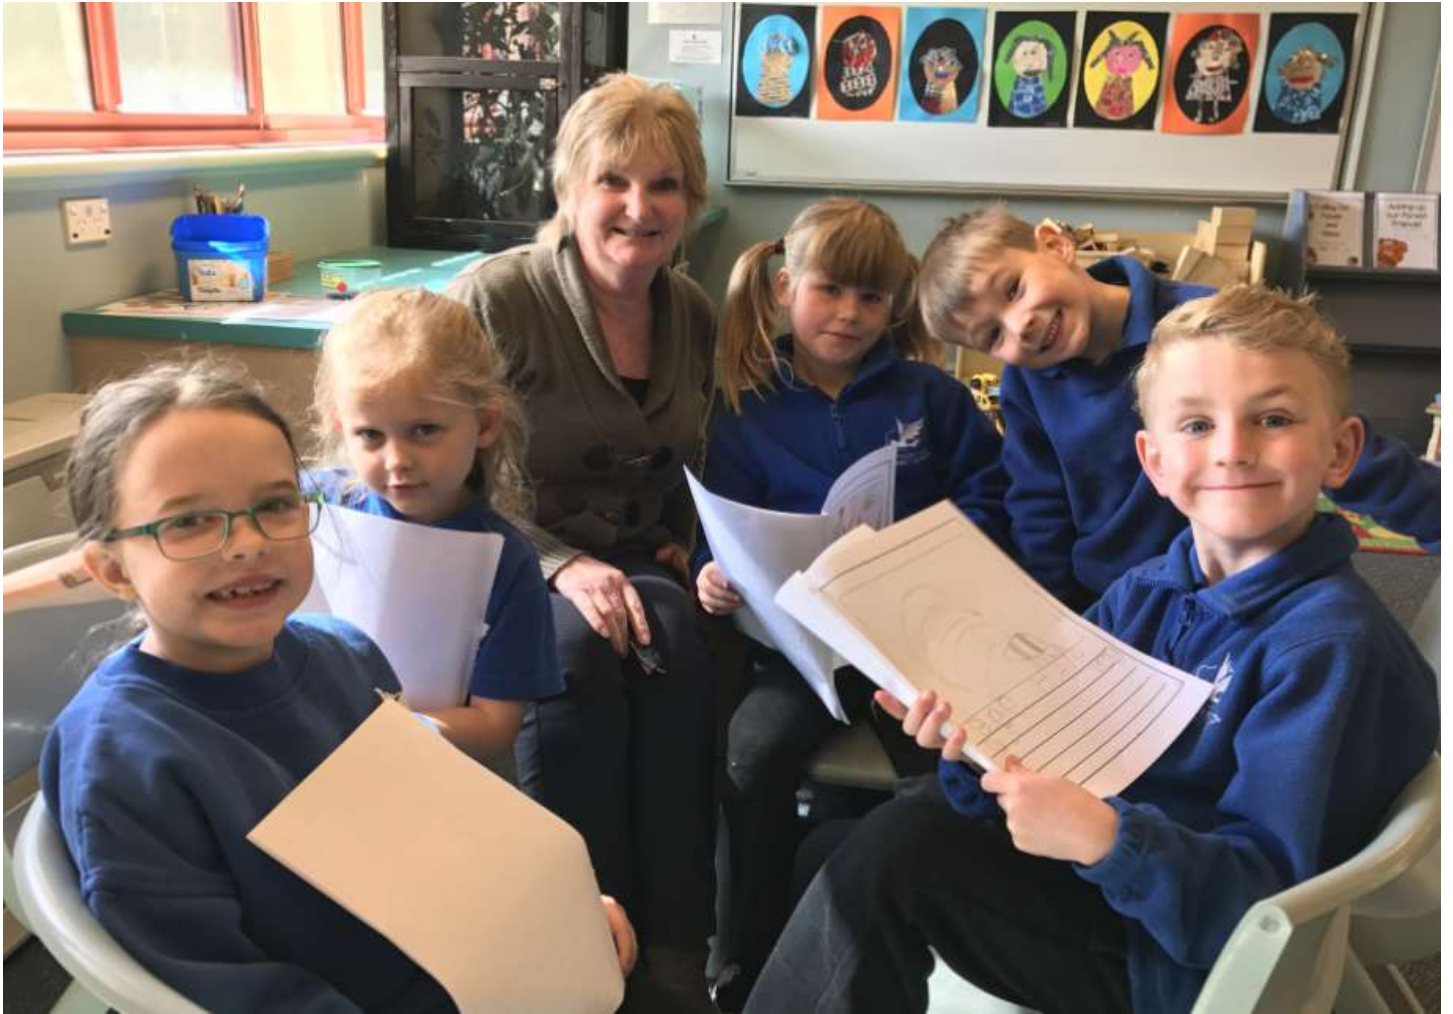

The Prep Grade have celebrated publishing their factual writing. They work so hard in the Prep room that some times they just need to pause and congratulate themselves! Invitees to this terms party were Noah Esdaile from Grade 6, Jenny from the office, Alena Melrose (Reading Mum) and myself – well done team.

The Preps shared their factual writing with their group. Question - Who knew that butterflies taste with their feet! Answer – Dixie, Emily, Ghardeep and Ethan.

Prep Science

The preppies have been learning about electricity in their Science classes. They have learnt to make circuits with a switch – very impressive,

Leila was very happy to see her efforts!

The Great Prep Mural – The Prep grade made an environmental mural where everyone had a piece of the puzzle to complete and then it all came together. How amazing is it? Stuning everyone.

Grade 6 Sailing School

Starting on the first Monday of Term 4 the Grade 6 students will be undertaking Sailing School. With help from Webster Marine and the Gippsland Lakes Yacht Club and Sailing Australia this program runs for a week in Term 1 and a week in Term 4. It is wonderful for our older students to gain real skills and confidence on the water.

Above – Tony Webster presents Sheree Benton with a cheque for the sailing program – Thanks Webster Marine.

What a wonderful day we had on footy colours day. Everyone got into the spirit of the day dressing up. The special lunches of party pies and chicken nuggets were well received and a big thank you to everyone for their support. We were able to raise much needed funds to assist the fight for cancer.

We appreciate the support from Patties for their donation of Pies to help us with our cause.

NOTICEBOARD
