### Dear Parents and Carers

What a wonderful week we have had! Spring is with us now and we all look forward to some warmer weather. There have been lots of activities happening at school. On Tuesday we welcomed Kate from the RACV Safety Squad, Kate ran excellent sessions with our classes covering safety in a range of settings including the road, internet and kitchen.

On Thursday students who qualified for the Division Athletics Carnival competed and all our students gave their best effort. I am proud to say we have six students moving on to the next level of competition, the District Athletic Sports. More about these results later in the newsletter.

Today we celebrated our school fathers at our annual Father's Day Breakfast. Our sincere thanks to Fraise and Sarah for putting on breakfast for our Dad's and Grandad's this morning, we know it was an early start for you and we appreciate it. Thanks also to the Dad's for coming along, it was lovely to catch up with you all. Mother's Day and Father's Day breakfasts are two of my favourite photo opportunity days and today did not disappoint. Check out the photos on the next few pages.

## Father's Day Stall

Thanks to Bec for organising our Father's Day Stall this year. Dad's, I hope you enjoy a lovely Father's Day and enjoy the present chosen with such care by your child. It is a very big decision for the majority of our students.

## RACV Safety Squad

Lachlan: I really enjoyed it and great insight on how to stay safe in different locations.

Lucy: It was an interesting session, and she used her own experiences to help teach us safety around the roads.

Caitlin: I enjoyed the way she taught us to wear a helmet for safety and how to wear it properly. My favourite part was acting out safety scenarios.

Jackson: It was fun when we got to act out the scenes. She taught me to always wear a helmet and her stories told me her family was very unlucky.

Charlotte: I thought it was good. I thought it taught some people to wear their helmets and be safe on the road. The examples she gave of things that have happened in real life which made us think that could happen to me if I don't follow safety rules.
