Woorin Lane, Ni Hao, Kia ora, Hello,

Introducing Aleksia: School Captain Aleksia Watkinson is making an outstanding contribution to our school. You may have seen Aleksia at assembly or playing 2 square in the courtyard before school. Aleksia is a very capable student and a leader who supports others. She is also a very good basketballer!

Dr Seuss just had a way with words didn't he? I hope families enjoyed the long weekend. While the weather was cold we managed to see a little bit of blue sky. We have a number of events on this week – we have a group of grade 3 and 4 students at the Carlton Footy Clinic and we have our senior T Ball team taking part in the Zone competition in Bairnsdale. As we head towards the end of term 2 there are a number of events coming up. Next week the grade 3 and 4 students are on camp at Coonawarra and then in the last week we have a Nexus Arts performance and a school DISCO!!

DISCO

Thursday June 25th 6.30

8.30pm

During the winter terms (2 and 3) we hold a School Disco on the last Thursday of term. All students and younger siblings are invited. Staff will be on hand to supervise and parents are welcome to stay and enjoy the entertainment or get up and join in. There is no cost and we have a number of disco related competitions that do have big prizes. All children receive a glow stick as they enter!! Families are asked to please provide a plate that can be shared for supper! Put on your best disco gear and come along and show us your moves!!!

Camp Coonawarra for Grades 3 & 4

Next week our grade 3 and 4 students are off to Camp at Coonawarra from Wednesday to Friday. This is a fantastic camp that has the best location and activities. Students please take some time over this weekend to get your gear ready. Pack your bag with Mum or Dad so that you know what is on your bag and where things are!

Hosting a Chinese Student: Aug 8th – 14th

A reminder that if you would like to host one or two of our sister school students from China in your home for a week (Aug 8 – Aug 14) then you need to let the school office know. We have a group of twenty Chinese students and two staff coming to Paynesville for the week. They come from a small town two hours from Shanghai. Their little town has only 2 million people – so they will love our little town and we will get them out and about experiencing beautiful East Gippsland.

Basketball Results

Has anyone noticed that Paynesville has the largest and nosiest group of parents and teachers in the whole place!! The coach is cheering, the parents are cheering and the grandparents are cheering – this is the best night of the week for me! It has been a while since the draw allowed me to watch all of our teams and I was impressed by the level of skill that teams are displaying. I couldn't believe the improvement. Great effort everyone. Thank you to all of the supporters who come along and yell and scream on the sidelines – good for you. *"Go Paynesville"*.

Carlton Footy Clinic

A group of our grade 3 and 4 students travelled to the Bairnsdale Footy Oval to take part in the Carlton Footy Clinic on Wednesday. Tate Hammond and Beau Hunn show Carlton how to take a mark!

Spencer Zizman, Noah Esdaile and Jack Tough displaying their footy skills

The **Boîte Schools Chorus** is an un-auditioned choir project for schools and community youth choirs. Since 2004 the Boîte Schools Chorus has involved over 6400 students from across Victoria in 27 concerts in Melbourne, Frankston, Ballarat and Bairnsdale. We are always looking for new partners, especially in regional Victoria.

Each year the chorus focuses on a different cultural theme, which has included Africa, Pacific Islands, Seychelles, East Timor, South America and Indigenous Australia. Students participate in two combined schools rehearsals and perform in a grand concert, with well known musicians and hundreds of peers from other schools. The project is supported by excellent teaching materials making it relevant to many curriculum areas. Students thoroughly enjoy the experience. It builds confidence, broadens horizons and develops valuable performance and interpersonal skills.

Teacher Support

PD workshops are provided for all teachers enrolling students in the choir. These can be provided in your area, provided we have enough teachers. Classroom groups and existing choirs are encouraged to participate. Extensive resources are provided - practice recordings, music scores, worksheets, translations and teachers' notes. Teachers' Notes give further details about the cultural theme. These notes can be used to assist broader educational outcomes across the school.

How to get started

- 1 Submit your no obligation Expression of Interest for Boîte Schools Chorus 2015 by calling 9417 1983 or emailing leah@boite.com.au
- 2 The Boîte will organise clusters of about 15 schools creating choirs of 200-300 singers in both Melbourne and regional Victoria. Smaller choirs can be accommodated provided special funding is obtained.
- 3 The Boîte will organise 4 dates for your school calendar as follows:
 - PD Session - Held in the beginning of Term 2 in April/May.
 - Two combined school rehearsals towards the end of Term 2 & start of Term 3. Usually in May/June & July.
 - Concert - held in Term 3, usually in August. Each school will choose which concert they want to perform in.

How is it financed?

The Boîte raises funds from 4 sources to support this project:

- 1 School fee of \$250 to cover the Teacher PD workshop. This includes one class set - 15 copies - of teaching resources including music books, word sheets, teachers notes and rehearsal recordings. Additional sets of teaching resources can be ordered at modest cost later if required. This fee is paid in advance to confirm the school's enrolment in the project. Small schools, including one teacher schools, should contact us directly to negotiate an appropriate fee.
- 2 Student fee of \$35 per student which covers the combined schools rehearsals, printed program, venue hire, concert production and performance T-shirt.
- 3 Audience ticket sales. Adult tickets are \$20 each and Under 18 tickets are \$8. Group discounts are available for Adult tickets in groups of 10 or 20. This is an absolutely crucial part of the income stream.
- 4 Schools who find these fees difficult to meet should work with us to seek funding support. This project was supported by Besen Family Foundation, Helen MacPherson Trust and Arts Victoria in 2014. There are no guarantees but we are happy to help.

What we need to make a successful concert

- A skilled and enthusiastic choir leader, teacher or parent willing to conduct weekly rehearsals with their group.
- A total choir enrolment of at least 200 students from 10 to 15 schools. Smaller choirs can be accommodated provided special funding is obtained.
- A venue with stage capacity to accommodate the choir and a three piece house band comfortably and safely.
- A venue with seating capacity of at least 400.

In 2015 we will launch *One Africa*, featuring music, stories and dance from across the African continent. **Lamine Sonko**, Artistic Director, was born in Senegal, West Africa into a family of griots known as culture keepers. *Griots* are the custodians of ancient lineages, functioning as the eyes and ears of the community. The griot's responsibility is to practice and teach the stories of their culture through the oral traditions of song, music and dance. **Flip Case**, Choir Director, is a musician with 20 years experience as a singer and choir leader. She has taught music in schools at primary and secondary level.

The Boîte is a not for profit organisation which for 35 years has supported artists from diverse cultural communities who now call Australia home. It is also committed to encouraging active participation in the arts, mainly through singing. It is best known for the annual, statewide Boîte Millennium Chorus, the Boîte World Music Café, the Boîte Singers' Festival in Daylesford each January and now the Boîte Schools Chorus.
