**Dear Students, Parents, Caregivers
and Friends of Paynesville Primary
School.**

Amber, the Primate Keeper from the Melbourne Zoo was at Paynesville Primary School on Tuesday teaching the students about the plight of the Indonesian Orangutans and in particular the impact of Palm Oil farming on their habitat. Amber shared her experiences and wisdom as well as presenting the school with a certificate of appreciation acknowledging our support in saving the Orangutans.

Today, each child will receive a post card sized document that families can fill out and send in support of Orangutan habitat and the campaign against the use of palm oil in foods. The Parents and Friends Club would appreciate your support.

District Athletics: Monday 1st September

After many postponements due to the ground being too wet, the District Athletics are all set to go on Monday. Good luck to every child who is taking part on Monday.

Cricket Clinics – 4th September

This week Rob Wood from Cricket Victoria will be at school teaching the students cricket skills. These clinics are always fun and the children get a lot from them.

Good Luck to the Paynesville Under 14 Football Team who are in the Grand Final on Sunday. They are taking on Wy Yung at 2.30pm at Bairnsdale Oval. There are a number of former Paynesville Primary School kids playing in the team and all support on the day would be greatly appreciated. Our U10's too will be playing an exhibition match at the same ground at 10.20am (with many Paynesville Primary School grade 3 kids involved) Good luck all for a successful weekend. Go the Gulls.

A special message of congratulations to Ben McKinnon (big brother of Steven) who has been awarded Best and Fairest in the under 14 competition. Well deserved Ben – good stuff.

Fathers Day Stall and Breakfast

Invite your Dad to Breakfast from 8am in the school kitchen on the 5th of September. Then after 9am classes will visit the Fathers' Day stall to buy dad that special something.

Grade 1 News

Next week Grade 1 will be learning about Turtles.
by Zane M.

BIRD BOX BUILDING

Grade 2, 3 and 6 took part in a conservation activity last week. Andy Booth from Gippsland Plains Conservation Management Network visited with a short presentation regarding the loss of habitat for our local native birds. The boxes have been designed with particular shapes and features to cater for the bird or bat's unique adaptations. The nesting boxes had been "flat packed" by Andy and his assistant Dancing Dave and our students were challenged to build them.

Little Red Rocking Hood – The Musical

The grade 3 and 4 students have been busy rehearsing for this years production and they had their first dress rehearsal yesterday. The junior grades will soon join them to inject their rock and roll moves. The performances will be held on Wednesday September 17th at 2.30pm and on Thursday September 18th at 6.30pm. The show is looking great so please come along and enjoy it. There are no tickets – but seats can be booked through the school office.
