We are now accepting enrolments for 2015

Dear Students, Parents, Caregivers and Friends of Paynesville Primary School.

Thanks everyone for a great term. It was action packed! We hope you all enjoy the break and return well rested and ready for the last term. In the first week back we have Zone Athletics and the Grade 3 & 4 Camp.

Peace Poster Competition.

We would like to thank the Paynesville Lions Club for hosting the Peace Poster Competition. Our prize winners are:

1st – Jasmine Hill

2nd - Simone Turner

3rd Shelby Heatley.

Congratulations to all students for their creativity and persistence. Here is a display of all our entries.

Look at our Preps.

What a creative and hard working group. This Term's theme was "Creatures under the Sea". The Preps made Diaramas to illustrate what they have learned about who and what lives under the sea! Great job.

Paynesville Trivia Night a Smart Success!

The recent Trivia Night and Silent Auction held on Friday 12th September at Paynesville Primary School was a huge success and a lot of fun for all who attended. Held as a fundraiser for the school, the event run by the school's Parents and Friends Association raised over \$1,300 to go towards the purchase of new take home readers for the junior school.

25 local businesses and a couple from outside the region supported the night by donating items or services; including the major prize of a joy flight over the Gippsland Lakes. The most hotly contested auction item was a child's bike and helmet, which was supplied with the assistance of Riviera Cycles. Local business Smashing Windows donated the event decorations and set up services for the night.

Big congratulations to the winning team 7th Heaven for taking out the win, and a thank you to all who attended. A special mention and thanks to the event's MC Anthony, and Event Organiser and PFA President Tash.

Look out for the event to be back again in 2015, as well as the school's next fundraising event for 2014, The Great Paynesville Clothes Swap due to take place this November. More information available from the school.

Little Red Rocking Hood – The Musical.

Congratulations to all involved in the production of “Little Red Rockinghood” . Students performed Wednesday and Thursday. The Grade 3 and 4 students played the lead roles, produced props managed lighting and sound. Great job! Thanks to all the families for assisting with their children’s outfits and for showing such wonderful support for our theatrical experience.

We would like to extend a special thanks to Kylie Fordham for her fantastic props!
