Greetings,

My name is JoJo O'Neal, President of the **Let's Kick Asthma Foundation, Inc.** We are hosting our inaugural Let's Kick Asthma Benefit Gala on Saturday, August 17th, 2019, 6:00pm at the Rosen Centre Hotel, 9840 International Dr. Orlando, FL 32819. This event will not only be festive and entertaining featuring a spectacular talent showcase, a live band, and more, but will also help raise funds to further awareness of our cause.

Our mission is to bring asthma patients and their loved ones together to provide an atmosphere where they can live healthier lives by learning to manage the symptoms of asthma. We host monthly educational support groups where patients and their families can share experiences, learn to cope with setbacks, know what is available in the community to meet their needs, be provided with the latest information on asthma treatments, and meet with medical professionals and other experts to address questions and concerns.

This mission also includes providing outreach services for asthma patients such as assistance with house cleaning, running errands, paying for medications, etc.

As a 501(c)(3) non-profit organization, the Let's Kick Asthma Foundation relies on the support of individuals and businesses like yours to help support our programs. Your tax-deductible donation to this annual event will help us provide educational, and financial support to those struggling with asthma in our local communities.

Attached is our sponsorship form for the Aug 17th Gala. We hope that we can count on you to help support our worthy cause. If you have any questions, please feel free to email me at: jojo@star945.com or call **407.435.7513**.

I'll be looking forward to seeing you Aug 17th for a good time for a good cause. In the meantime, "Just Breathe!"

Best regards,

JoJo O'Neal

LKA President
