

LET'S KICK ASTHM

Foundation Presents

3RD ANNUAL BENEFIT GALA

*August
20, 2022!*

Your donations will help support asthmatic patients with treatment in Central Florida!

SPONSORSHIP PROPOSAL

Rosen Centre Hotel

Greetings!

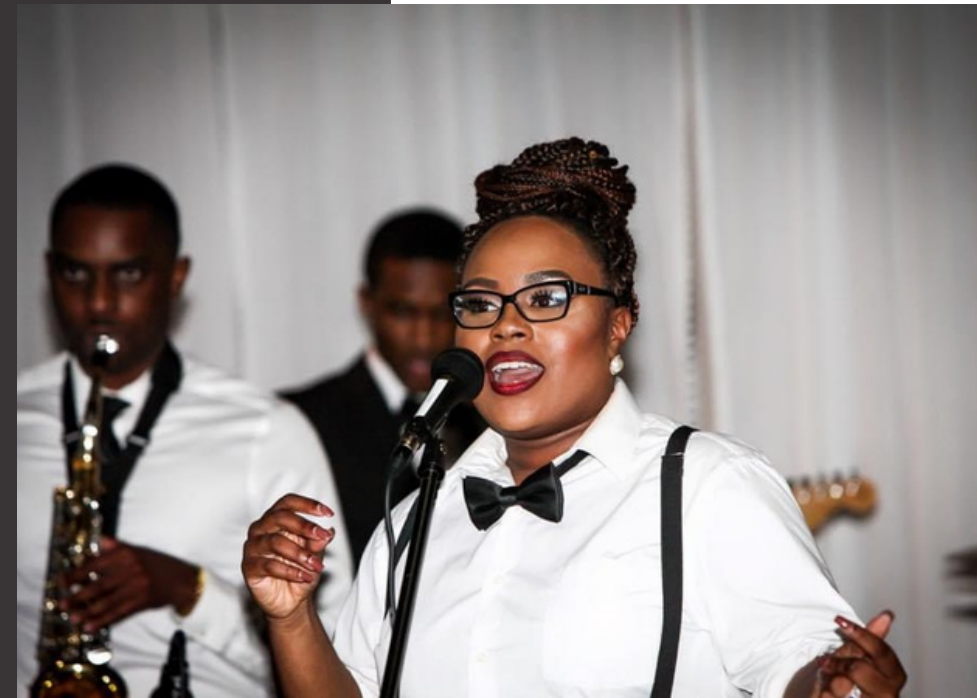

We here at Let's Kick Asthma Foundation are hosting our third annual Let's Kick Asthma Benefit Gala, August of 2022 at the Rosen Centre Hotel.

This event will be festive and entertaining, featuring a spectacular talent showcase, a live band, and more and will further our aim of raising funds to cultivate awareness and offer assistance to Asthma patients & their loved ones.

ROSEN CENTRE HOTEL, 9840 INTERNATIONAL DR. ORLANDO, FL. 32819

Event Overview

Let's Kick Asthma's 3rd Annual Gala will be fun, safe and purposeful! The entire night will encompass our Great Gatsby theme and is sure to uplift with a talent showcase including a wonderful display of gifted dancers, singers, spoken word and more! The silent auction and live band are poised to be a highlight. Dinner will be served and a good time will be had! This is an in person event, although there will be an option offered to attend online. Come prepared to enjoy your night and support a good cause ! Come dressed in your best Roarin 20's attire and be prepared for an enjoyable festive evening as you support a great cause that will help to benefit asthma patients and families in Central Florida.

Our Mission

Hi! My name is JoJo O'Neal, President of the Let's Kick Asthma Foundation, Inc. A bit about our mission! The Let's Kick Asthma Foundation brings asthma patients and their loved ones together in a space where they can be empowered and educated to improve their quality of life while living with asthma and other pulmonary diseases. Through support groups and outreach services, the Let's Kick Asthma Foundation is the go-to resource to assist asthma patients with whatever their specific needs may be. Our mission includes outreach services for asthma patients such as assistance with house cleaning, running errands, paying for medications, etc.

We provide a space where asthma patients can cope with setbacks, know what services are available to meet their needs and have access to information on new asthma therapies as well as meet with medical professionals to address questions and concerns.

As a 501(c)(3) non-profit organization, the Let's Kick Asthma Foundation relies on the support of individuals and businesses like yours to help support our programs. Your tax-deductible donation to this annual event will help us provide educational and financial support to those struggling with asthma in our local communities. Thank you!

COVID-19 guidelines

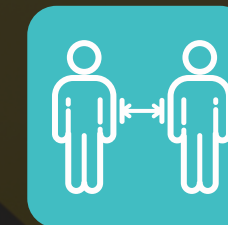

We ensure our event meets all CDC guidelines to operate. To ensure our events safety the following measurements have been put in place:

Temperature checks on arrival

All participants must wear mask

Social Distancing Protocols will be observed

PPE Station with mask, sanitation station and disinfectant spray
