**RE: Riverwalk Topaz Building Association**

Dear Unit Owner:

Welcome to the Monica Goldstein Agency family! We are honored to be entrusted with the opportunity to place the Master Association Insurance coverage for Riverwalk Topaz. We look forward to partnering with the Association in protecting their insurance needs for this coming year as well as continuing our relationship with the Board of Directors and the Community Association manager. The Monica Goldstein Agency prides itself on being focused on the education of our family members whether they be individuals or businesses and providing them all with the best protection at the right price.

The master insurance policy for Riverwalk Topaz has been created to comply with the insurance requirements outlined in the Association's declarations.

The Riverwalk Topaz Building Association is to insure the following:

- **Common Elements (buildings, structures, and common areas)**
- **Limited Common Elements (outdoor decks, patios, etc.)**
- **Building / Unit coverage of Drywall Out**

Owners are responsible for insurance coverage on the following elements:

- **Finished surfaces, fixtures and all betterments / improvements made to the unit**  
The question to ask yourself as an owner:
  - What type of improvements have been made to my unit since its original construction and what is the estimated value of those improvements?
- **Personal contents – furniture, furnishings, and other personal property**  
The question to ask yourself as an owner:
  - What type of coverage do I have on my personal property; Replacement Cost or Actual Cash Value)?
- **Loss of Use / Loss of Rental Income / Loss of Assessments**  
The questions to ask yourself as an owner:
  - What limits are available to me?
  - Does the loss assessment coverage apply towards an association deductible?

- **Personal Liability**

- The question to ask yourself as an owner:
- Does my policy have rental restrictions?
- Does my umbrella coverage extend to my unit owner's policy?

For additional information regarding the insurance requirements of the Association and the individual Unit Owner, please refer to the insurance section of the Association's Declarations.

If you have any questions or would like further clarification / assistance, please contact our office at (970) 926-4370.

Monica Goldstein
