“

I HAD STRUCK A DEER AND DAMAGED THE FRONT END AND FENDER OF MY FREIGHTLINER. I WENT THROUGH THEIR COLLISION BODY SHOP FOR MY INS CLAIM. THEY SAT ME DOWN EXPLAINED THE PROCESS THOROUGHLY AND TOOK PICTURES WITHIN THE 1ST 1/2 HOUR I WAS THERE. THEY ORDERED THE PARTS NEEDED WHILE STILL ALLOWING ME TO RUN. ONCE THE PARTS WERE PAINTED THEY WORKED WITH ME TO GET IN THROUGH THE SHOP. THEY WERE FRIENDLY AND RECEIVED MANY CALLS ON THE PROGRESS OF THE ORDERS AND PAINT. A1 FAST, FRIENDLY, INFORMATIVE, QUALITY, AND CONCISE WORK.
