About Jason Brown

NFL lineman Jason Brown had everything in the world. He was the highest-paid center in the game. He lived in luxury. Millions of people saw and admired him every week. Then in 2012, Jason chose to give up wealth and fame to pursue God's call.

Leaving behind an incredibly successful football career that paid millions, Jason turned toward a life he knew nothing about: farming. It was only the beginning of his journey. Through third-party mismanagement and a run of bad luck, Jason lost most of the money he'd saved from his NFL days—the same money he'd planned to use to start his new career and donate fresh produce to hungry families. Only Jason's faith and trust in God could save his dream.

Thank You, Jason!
