

RE-ELECT LADY ESOHE ASEMOTA

National Lay Board Member

Greetings my Claver Sisters,

Again, I come to you with humble thanks and gratitude asking for your support as I seek re-election to a third and final term as your KPCLA National Lay Board Member. Your continued support has been invaluable. Over the past nearly 4 years I have worked closely with the Supreme Lady and National Court Board of Directors on several member-centered initiatives including but not limited to:

- KPC/KPCLA COVID-19 Response
- Co-chair Social Justice Public Meeting Planning Committee
- National Electronic Meeting Training (alternatives to in-person meetings)
- Claver Training Day 2021
- Electronic Resolutions
- Strategic Planning
- Maintain relationships with KPCLA Affiliate Organizations (WUCWO, NCNW, etc.)
- Member educational resources (virtual workshops on Elections of Officers, Conducting an Audit, etc.)
- Member Recognition at 2019/2021 National Conventions
- 1st Time Attendees/Mentors Workshop at 2019/2021 National Conventions

If re-elected, my goals are to continue the growth of our training and educational resources programs, expansion of member outreach and connection, and expansion of our Collegiate Unit initiative. I pray for continued safety and good health as we continue to battle this pandemic, and I look forward to seeing you all at our upcoming in-person National Convention in Lombard, IL where I hope you will consider me for re-election as your National Lay Board Member.

Yours in Claverism,

Lady Esohe Asemota
