Even though we are keeping the mission trip mindset, we WILL do some “vacation” type things as well. Each day (after 1pm) is set aside free time. Puerto Rico is beautiful and home to the world famous Crashboat beach and the Glowing waters in Parguera.

On the agenda of things we hope to do during our free time excursions:

- Drive to Anasco to visit Don Frappes, and the Pizza Cones truck
- Crashboat Beach to swim in the crystal clear warm water and jump off the pier!
- Parguera to experience the glowing water (that can only be seen in about 4 places in the whole world)
- Possibly visit Rincon Beach overlook for views and to see the giant Iguana’s
- Visit Old San Juan Fort, San Felipe (If we have time before flights)

Details are still being finalized, but we wanted you to have an idea so you can start making payments & marking calendars. Pat, Mark, & Chuck have a meeting with Pastor Lou this week since he will be here in Ohio and we hope to lock down some more details then.

We can setup an auto withdrawal easy payment plan for you if you want to get that started. See Pat to do that, and we will start our fundraising with the Holiday pies for Thanksgiving and Christmas where you make around \$5 per pie.

DON'T FORGET: PAYMENTS ON THIS TRIP MUST BE ON TIME OR WE WILL REMOVE YOU FROM THE TRIP WITH NO REFUNDS!!
