Who Is My Neighbor?

Jesus took up the question and said, "A man was going down from Jerusalem to Jericho and fell into the hands of robbers. They stripped him, beat him up, and bled, leaving him half dead.

A priest happened to be going down that road. When he saw him, he passed by on the other side. In the same way, a Levite, when he arrived at the place and saw him, passed by on the other side.

But a Samaritan on his journey came up to him, and when he saw the man, he had compassion."
