About Giving

Remember this: The one who plants few seeds will have a small harvest. But the one who plants a lot will have a big harvest. Each one of you should give what you have decided in your heart to give. You should not give if it makes you unhappy or if you feel forced to give. God loves those who are happy to give. And God can give you more blessings than you need, and you will always have plenty of everything. You will have enough to give to every good work.

As the Scriptures say, "He gives generously to the poor; his goodness will continue forever."

God is the one who gives seed to those who plant, and he gives bread for food. And God will give you spiritual seed and make that seed grow. He will produce a great harvest from your goodness. God will make you rich in every way so that you can always give freely. And your giving through us will make people give thanks to God.
