Christmas Highlights

Wow! Ya'll came through for this blessed birth of our Lord Jesus Christ. Thank You! Despite the covid challenges, the economy, and the divisions in our world, the Lord's body worked together to bless our ministries in India and Ukraine.

We have not been able to travel to Ukraine for a couple of years now but we continue our work weekly.

We are in regular contact with our partners encouraging, praying with, and supporting with supplies. We also have regular opportunities to present the needs in churches and groups. Newsletters, updates, finances, and more take up hours a week. We love the journey and this spring will complete our 19th year in this ministry.

We are praying big and bold for Ukraine. 2bearsLord has been our prayer since 2014 and we continue daily.

Thank You For Blessing the Forgotten in Ukraine

Christmas Blessings

- Appreciation dinners for church staff and 22 pastors and wives.
- Gift foods for the widows, the poor, and those who are serving tirelessly.
- Outreaches into the community only 40 miles from the war zone.

The Birth of our Savior Jesus!

Thanks to all our supporters and most of all our Lord, many people were blessed in India and Ukraine. There are just too many stories. But Yuri our pastor friend and partner was able to: provide groceries and gospel for the forgotten poor, widows, and children in his area. We sent about \$6,000 to buy food, supplies, gifts, and dinners. These people are war weary having experienced the Russian aggression only 40 miles from their homes since 2014. We also wanted to encourage the pastors and wives of 22 congregations. They have chosen to stay in the area and minister to their needy people. We may not always agree on our beliefs but we commend the passion and heart of these men and women.

We are primed and ready for a new and blessed year encouraging and praying for our partners and the needy. Please continue to pray for Joshua and the orphanage and the partners in Ukraine.
