# No Surrender!

VOLUME 21 ISSUE 1

MARCH 2024

## ***The Battle is Still Raging***

***It has been awhile since our last report but...***

Yes, the war in Ukraine is as bad as ever. Even though we are not hearing a lot in our media, other than funds being held up, the conflict has not ended.

Maybe recently you heard the pope suggest Ukraine consider terms of surrender. There is no way our friends in Ukraine are even considering that. To come under the thumb of this evil again is not an option. They have had enough.

***Despite all that, our friends are still spreading the Good News of Jesus Christ and sharing much needed food and supplies.***

Thank you to all who continue faithful support so we can send fund for these needs. Your generosity is blessing so many. And please pray harder and harder.

***Pray, Pray, Pray!!!***

***Still sharing  
Good News of  
Jesus Christ in  
a world of sa-  
tanic destruc-  
tion.***

***Many are com-  
ing to the Lord.***

***Pray for more  
revival to come.***
