Our Vision in Year 2021

February, March
& April 2021
Volume 1, Issue 1

Hallelujah! Praise The Lord Saint!

We've entered a new year, another year for the Spirit of Life Ministries Family to show forth God's love like never before. As you have heard me say, "The Lord told me to stop trying to love (agape), become love (agape). I've received that challenge, and by the grace of God, I'm determined to preach the Word of God in such a way all that hear will be provoked to accept that same challenge. We read in **1 Corinthians 13:13** "And now abide faith, hope, love, these three; but the greatest of these is love." God is love, so we must yield to the sanctification process until Jesus Christ is formed in us.

The Lord ordained Spirit of Life Ministries to declare the gospel to those in the world so they might believe on Jesus and be saved; and to awaken those who profess to be Christians out of mediocrity into a whole hearted commitment to the lordship of Jesus Christ. So, this year we will continue working toward the manifestation of this vision.

We know that Jesus is coming back for a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish (**Ephesians 5:27**). It is evident by the signs of the times that Jesus is coming soon. So, we must be about fulfilling our purpose.

Look up and rejoice for our redemption draws near!

Welcome Back Vessel of Life Women Ministry

"O give thanks unto the LORD; for he is good: for his mercy endures forever." (**Psalms 118:29**)

Thanks to the prayers of the Saints and God's mercy and grace, we have overcome 2020!

In 2021, Vessels of Life Women's Ministry is looking forward to our ladies growing more as virtuous women creating a loving sisterhood. We trust the Holy Spirit to lead us as we bring the life of God's word to every situation. Beginning Saturday, February 27 at 9:00 a.m., and every fourth (4th) Saturday, we are meeting on Zoom for our Bible Study Fellowship. The fellowship will be an opportunity to study God's Word, encourage and pray for one another, share what The Lord is doing in our lives and better know one another. This will bring us closer to one another strengthening our sisterhood. I'm excited about what The Lord will do. So, mark your calendars! See you then!

Constrained by the Love of Christ,

Betty Barras Nelson
Vessels of Life Women's Ministry

For the love of Christ constraineth us; because we thus judge, that if one died for all, then were all dead: And that he died for all, that they which live should not henceforth live unto themselves, but unto him which died for them, and rose again. - **2 Corinthians 5:14-15**

Happy New Year Spirit of Life Family!

By the grace of God we made it through 2020. There were some ups and downs along the way but we made it through. Our prayer for you is that God's amazing grace and tender mercy will carry you forward to the end. Covid-19 did not catch God by surprise.

Remember what the Psalmist says in Psalm 27, "I would have fainted unless I would see the goodness of the Lord in the land of the living."

Be Blessed and Stay Safe!

Hi SLM Family,

What a year! God is faithful. Thank you for your continued support of Spirit of Life Ministries through your tithes and offerings.

The year 2020 has seen many changes. The Ministry was able to pay the ongoing expenses for the upkeep of the SLM campus. Through the enhancement campaign in the first quarter, we were able to perform some repairs on the roof. Also, minor renovations occurred around SLM such as the Elder Peter Brown Bookstore, Hebrews Tea & Coffee Shop, and some upgrades in the Family Life Center. Thank you for your gifts, donations, and volunteer sweat equity.

Spirit of Life Ministries "An Awakening to a Higher Sphere of Christian Living" also pertains to striving for excellence in financial stewardship. The ministry is on a spending freeze. Every ministry program must operate at a profit. All opportunities or avenues to streamline ministry expenses is being explored! So, your continuous contributions of monetary giving to this Ministry is so important whether you are at the physical location for worship or viewing it online.

SLM is good ground. Once again thank you SLM family for your sowing into the ministry. To God be the Glory.

Counting Our Blessings,

Greetings Family from the Soul Care Ministry!

The Purpose —Provide guidance through application of the Word of God as we navigate through the issues of life.

The Promise — “Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.” **3 John 2**

The People — Whether you come as an individual, a couple, or small group, we will allow the sword of the Spirit, which is the Word of God to be the discernor of truth between flesh and spirit.

The Process — As we submit our mind, our will, our emotions, and our intellect unto the Lord, we will begin to move further away from sense-ruled beings to spirit-ruled beings.

We look forward to walking with you on this journey.

Happy New Year...WELCOME! WELCOME! WELCOME! from CIC Ministry

I would like to say thank you to everyone who made our first virtual encounter a weekend to remember. To all the speakers, armor bearers, the staff/volunteers and especially the participants I'm honored to have taken that virtual journey with you all.

All I can say is wow and that the presence of God was there and people were blessed and encouraged and I believe there was a paradigm shift in the hearts of the people and they now know not what but WHO love is. Yes, the Holy Spirit moved and the anointing fell heavy on us all. If you missed the live zoom the recordings will be made available for purchase soon on www.slm1.org. We still have conference T-shirts (limited supply) for sale. A special thank you and honor to my spiritual parents Apostle Jerome and Pastor Betty Nelson, Sr.

Thanks again,

Greetings from 212°F Ministry

We pray all is well with our 212° youth and families during this time.

We as a Church family at Spirit of Life Ministries look forward to the time we can return to our Youth Church services.

However, we know there are measures that need to be taken to ensure a healthy environment for EVERYONE and especially our youth. At this time we will NOT be having our 212° Youth Church services in person for an undetermined period of time.

We will be looking into ways to connect with our youth in a safe manner. We ask that all parents would keep their children alongside them during service times. We ask that you do not allow your children to congregate in groups inside the SLM facility during this time.

Our youth ministry leaders and teachers miss our kiddos dearly and we are eager to love on them all! Health and safety are paramount and we plan to abide by all rules and regulations.

Love you to Life!
