

RVM Team Snapshots

Rethink it. Vision it. Make it happen!

RVM Birthed

I don't recall the day nor the hour that RVM came into being. What I do know is it was the next normal step of my journey. I didn't have to soak in prayer to see if this was God's will...somehow, I just knew this was my next adventure. When I think about it, RVM existed for as long as I have been preaching the gospel – 32 years.

Team. There are all kinds of acronyms for this word. But for me, RVM really is about "team". I couldn't be here without the many who have surrounded me. The work of the ministry is too big for just one person. Therefore, I'm thankful that RVM has teams in Arizona, Colorado, New Mexico, and Utah.

What's happening now

All the paperwork has been submitted to have RVM incorporated. We are awaiting response. Second step: Submitting for our 501c3. All giving is still tax deductible through Journey By Grace. Third Step: Open bank accounts for RVM and provide online giving.
