“ We hope everyone had a great Christmas break. For us it was rather short, basically a Christmas Day break and right back at it on boxing Day at Manchester before they return the visit to us on Saturday night. We were very glad to get a massive win Sunday on home ice against Coventry. We went from getting blown out, to an abandoned game to losing the handle on a late lead at Nottingham so there was a fair bit of adversity heaped on the guys over the course over a couple of weeks and nothing fixes that up better than a win. I guess it shouldn't surprise us then that the win itself was riddled with adversity, particularly getting through 7 of the last 11 minutes of the game shorthanded, including repelling a major penalty powerplay for Blaze to get us to overtime where we needed a penalty shot save to make it to penalties and an eventual win. What a night it was! Hopefully we can get some points in these games coming up with a little less excitement, but you have to get points any way you can get them and its never going to be easy. We look forward to the post Christmas challenge of the games against Storm and we hope everyone enjoys the set of games. ”
