Coach's Comments

“ Welcome back for our final home game of the season. As it always does, it sure feels like it went fast. So many ups and downs and not many games left, but still so much still to play for. We have been tasked with a very tough assignment against Manchester Storm. Between excellent goaltending and good team defence they were one of the hardest teams to score on over the course of the regular season. That is the kind of team that does very well in playoff action where teams are even more motivated to check closely and play at a different level of intensity that limits opportunities. Head to head they beat us 4 out of 6 times we played so there is no easy way through this 2 game series other than try our best to force play as much as possible and capitalise on the few chances we are likely going to get. Both sides are desperate to be at the Final 4 weekend in Nottingham to go after the last trophy on offer, and it should make for a very exciting pair of games. We are looking forward to taking up the challenge. Thank you all for your support this season. We look forward to sharing an exciting weekend ahead and wish everyone well over the Spring and Summer months. ”
