Coach's Comments

“ The playoff picture was clarified last weekend with a win over Coventry that ensured a quarter final date with Manchester Storm on April 13th and 14th. We will be on home ice for leg 2 of the aggregate goal series on Sunday, April 14th. Not only was the overtime win over Blaze important for the standings and the playoff matchups, it was also important for us to recover after a performance at Fife that none of us were happy with. Heading into training on the back of a win is a much more positive atmosphere and the guys pulled that one out with a much better showing so credit to them for turning last weekend around. Hopefully we can play well on Saturday against Glasgow who will be here, and then close out the regular season at Coventry Sunday. It has been a real roller coaster season with a lot of ups and downs along the way. On our night we have a team that can compete with anyone in this league. We are going to do what we can to be on top of our game in the last stretch of the season to stay in the hunt for the final trophy on offer. ”
