# Coach's Comments

“ We hope everyone is looking forward to their New Year celebration after enjoying the Christmas break. We were certainly pleased with how we have come out of Christmas with a point against Manchester on Boxing Day away then a win on home ice the night after. The last couple of seasons we have had dreadful results after the short break, so it was really nice to be a lot more productive and set ourselves up for hopefully a more positive run of results in the games ahead. Having said that, the task does not get any more difficult than taking on Cardiff Devils on back-to-back nights. They are so talented in every facet of the game that there is no clear weakness to try and exploit. Instead, we have to just play a very strong 200-foot game and hope we can deliver enough offence to overcome a team who can put up numbers that included 15 goals over 2 post Christmas games against Coventry Blaze. We are excited about the challenge, and we hope you are looking forward to joining us to see how it all pans out. We wish everyone a very safe and Happy New Year celebration. ”
