“ After a weekend away from Spectrum we are excited to be able to get back onto home ice on Sunday. That will be following completion of a 4 game road run ending Saturday at Nottingham Panthers. We look ahead after having perhaps the oddest weekend we have experienced in quite some time which was a weekend having played just a single period of hockey! We had Saturday off as part of our normal schedule before heading to Glasgow Sunday. Unfortunately, after 20 minutes of play, a mechanical issue with the ice making gear meant the game had to be abandoned and will need to be played again at a future date. It is a long distance trip so it is not easy to schedule it in, but between ourselves and Clan we will come up with something and the new date will be made public in due course. If we take the silver lining route, we got more rest than we would have ever expected at this time of year, and with a full week of training this week there is no reason why we cannot come out with a lot of energy Saturday and Sunday. That is what we expect from our group, and we look forward to working hard to deliver results. We hope you enjoy the games, and we wish all supporters a very Merry Christmas. ”
