# Coach's Comments

“ Welcome back to league action this weekend when we take to home ice on back to back nights Saturday and Sunday against Dundee Stars then Fife Flyers. These notes are written ahead of the 2nd leg of the cup semi final so we will focus here only on league action. Last weekend we picked up some important points in Dundee. Important for league position obviously, but also important to demonstrate that we are capable of beating the Stars who have had our number this year and had won the first 3 head to head games. If a team continually hands you defeat it can start to play in your minds, and a Stars-Flames playoff match up is a possibility so it is important we believe we can be successful against them. A win last week helps with that and certainly a win on home ice this Saturday would be a big boost in that department also. Then Fife returns for their final visit of the season. Every point for them is meaningful in their hunt for a playoff spot so they will no doubt be here with a definite purpose in mind. We need to be up and ready for both of these very important match ups. We hope most of our supporters are able to join us this weekend for one or both of the games at Spectrum. ”
