Coach's Comments

Up next Coventry Blaze here on Wednesday night. With a couple of games in hand on us, Coventry are not far off our own pace so this is a very critical game to try and put a little more distance between us and them at this point in the League table season. We are coming off a 4 point weekend with wins at Fife then at home to Manchester so hopefully some of that good vibe and confidence we can drag into the Coventry clash. Having said that, Coventry is likely feeling pretty good themselves after an impressive come from behind win where they dug out of a 3-0 hole to beat Fife Sunday in overtime. We are both also in a similar position in terms of trying to be the best we can be at this point in the season as we each head into our respective Cup semi final encounters. We are, of course, taking on Glasgow Clan while Coventry have drawn Sheffield Steelers. There is a lot on the line for each team on Wednesday and I am sure that will result in a very entertaining game.
