Coach's Comments

“ We hope all supporters have plans for a Happy and safe New Year celebration. We have a lot of work to do over the calendar transition with a visit to Cardiff on New Year's Eve before back here against Devils the next day. They are the top team in the league for a reason. They have very little in the way of weakness. They get excellent goaltending, have a top notch group of Defenceman and a highly skilled forward lineup. At time of writing, they have the most goals scored in league play and on a per game basis have allowed the least against. That pretty much says it all. We feel good heading into the games coming off a big win on Saturday against Manchester, but we are not in any doubt about the challenge that is ahead of us here before then going on to Sheffield Saturday and back home Sunday against Fife. It is a lot of hockey in a short space of time against high end competition and we will need to be at our best to get a chunk of points. We are hoping for a Happy New year start of our own and we will do everything we can to make that happen. Thanks for following us and Happy New Year to all. ”
