**Coach's
Comments**

“ We are getting down to it now with only 4 league games remaining and the playoffs to follow. Now it is mostly about trying to be playing the best hockey we can in the lead up to the quarter final. We are feeling a lot better now than we did a week ago. We obviously did not get the result we wanted against the juggernaut Sheffield Steelers, but we picked up wins in the previous couple of games at home to Glasgow and on the road at Dundee earlier last week. This week for the first time in a very long time we have been able to lay down a complete week of training uninterrupted by travel and games so hopefully that will come out in our visit to Fife on Saturday ahead of a return to home ice Sunday against Coventry Blaze. We are playing opponents who are exactly like us in trying to maintain or improve our playoff positions, so you have motivated teams on both benches on both nights. There is a lot to play for and we can't wait to get back to action as the season enters the final stages. ”
