Coach's Comments

“ We head into Wednesday’s game against Glasgow back to a bit more of the early season frustration, although generally we are playing better than we were at that stage, even though the past few results did not go our way. We had a very good run just prior to that and we need to hold on to the confidence gained there and get ourselves up and ready to play this one against a good side from Glasgow. Good teams find ways to move on from disappointments and dropping that one on penalties Sunday night was definitely a disappointing outcome even though we did secure a table point. Our guys want to have success and I know we will come out hard and do what we can to get a win the next time out. We hope you can join us for the 7:30pm start and get behind us to push us on to a win. ”
