“ It's another Friday-Saturday

set this weekend with a trip to Cardiff before returning

home against Coventry Blaze. We are certainly coming into this set of games with more confidence after taking all 6 points last week with wins against Panthers, Storm and Clan. The guys worked very hard to achieve results and for the first time all season it also felt like we had some better luck on occasion compared to some previous games where we played well but didn't end up with a result. It was particularly satisfying on Saturday when we were tired and short staffed to see the guys dig deep and still find a way through. It's not always going to go your way, but we have a group of guys who will push through no matter the circumstances and hopefully that will serve us well as we move deeper into the season. Enjoy the games ahead.”
