Coach's Comments

“ We hope all supporters had a good week in the lead up to the games this weekend. We make a visit Saturday to Coventry in Cup action before getting back home Sunday for a League tilt against Cardiff Devils who handed us a lopsided defeat on Spectrum ice not long ago. We are coming off our best weekend of the season so far with wins over Coventry and Fife. Coventry was probably first time this year that we have completed basically a solid 60 minute effort. We had some good spots Sunday too against Fife in follow up, including a particularly good 3rd period, but we had some issues earlier in the game that we have tried to tend to with some of our training focus this week. It was the first time in a few weeks we were able to play with a full skating roster so that certainly didn't hurt, especially in terms of ice time distribution to keep more guys fresh across the pair of games. Right now we are just looking to improve week on week and hopefully we can put in a consistent effort over the next 6 periods to come out with points. Enjoy the games. ”
