# Coach's Comments

“ It won't surprise anyone to know that we are a bit frustrated with falling in back to back overtime games. We thought we could have won both. The freshest one in our minds is Wednesday when we didn't play a perfect game but felt like we did enough to win against Manchester. Our 2nd period was certainly not how we wanted to play after getting a 2 goal lead, but it was still there for the taking. We definitely need to find a way to be more consistent from shift to shift and period to period. That is something we are going to focus on and hopefully make some headway on against Belfast. It is still early, and we have only played 5 League and Cup games, so as a team we are not expecting to be the best we are going to be, but we want to see progress as we move along here. We have a lot of games left to get better and that is the goal from night to night. Hopefully we can show some of that progress against the Giants and we hope you enjoy the game.”
