“ About a month after starting the pre-season with a pair of home games, we are at it again this weekend with Coventry Blaze here on Saturday for a Cup game before Fife Flyers make their first trek to Spectrum this season for a league clash. Hopefully we can find a way to win both of them as we did at the end of August, but there is a lot to do before that is going to happen. First thing is we need to avoid spending an inordinate amount of time in the penalty box. Last weekend we killed far too many penalties and had to be 2 men down on 4 different occasions. We can't do that game to game if we are wanting to win so that is job one to stay out of the box. The good news is that as the weekend went on, we got better in our attack and hopefully we can deliver our late game effort against Panthers last week from the drop of the puck against Coventry this week. We have the group to have success, but we have to lay it on the ice from the off. We have had a good week of practice, and I know guys are desperate to get out here and string together some wins. It is a great time to be playing on home ice. We hope all of you can join us for the games and we hope we can deliver an enjoyable weekend of action. ”
