Coach's Comments

“ We continue a busy home stretch this weekend on Spectrum ice, then again on Wednesday night. This is a favourable part of the schedule for us with no travel so we certainly want to make something of these games against Coventry in the Cup on Saturday and then Nottingham Panthers in League action Sunday. You quite likely share in our disappointment at last weekend's results. We felt that the visit to Cardiff was there for the taking, but we just didn't get it done. It was a game we could have won, but we let it get away from us in the 3rd. Hopefully we can now get started on Cup points on Saturday night. Last Sunday was a different story. Although we started alright early in the game, we were never really in a position to win it, other than stellar goaltending by Eamon. Sheffield had too much puck possession for the bulk of the 2nd and 3rd period and we just never got a look. It's no surprise to know we have things to work on and hopefully another week of training will help us generate results this weekend. This league has no easy nights because all the teams are just that close so we simply need to be ready to play. We are looking forward to the challenge, and hopefully you can enjoy a lot of home ice hockey over the next couple of weeks. ”
