## GENESIS 1-11 THE WARREN WIERSBE BIBLE STUDY SERIES

Min. Kenneth Kidd, Instructor

## TWELVE ORDINARY MEN\*, John MacArthur

Min. Raymond Teamer, Instructor

In this study, students will discover that contrary to popular belief, we do not have to be perfect to do God's work. Jesus chose twelve ordinary men and turned their weakness to strength.

## TWELVE ORDINARY WOMEN\*, John MacArthur

Sister Newlene Dean, Instructor

This study looks beyond fascinating facts about these women such as their courage, vision, hospitality and Spiritual giftedness. Students will see the unmistakable chronology of God's redemptive work in history through their lives!

## RESTING IN GOD'S SOVEREIGNTY\*, Ernest L. Easley

Brother John Mills, Instructor

Throughout this study students will see how when we receive difficult news, we can learn to rest in the Sovereignty of God! The study also includes 10 Biblical figures who have trusted in the Lord as well.

## DANIEL: SET APART AND SENT\*, Brian Barnett

Brother Booker McKinstry, Instructor

Students will study the first seven chapters of Daniel. Daniel was written to be a testimony to the sovereign, enduring, glory and power of God! Daniel and his friends were able to make that glory known in a secular environment amongst non-believers.

## SEX, RACE AND THE SOVEREIGNTY OF GOD: SWEET AND BITTER PROVIDENCE in the BOOK OF RUTH\*, John Piper

Sister Edna Burnett, Instructor

Though this study recounts events from 3,000 years ago, students will see it still holds surprising relevance for Christians in the 21st century. God is at work in the worst of times!

## PRAYING THROUGH THE NAMES OF GOD\*, Tony Evans

Sister Yvonne Scott, Instructor

“When life gets too hard to stand, kneel!” Students will spend time learning to pray through the names of God.
