

You Can Help Team Members Go and Share the Gospel Message Around the World by Making Face Masks

As a result of COVID-19, MOST Ministries' Team Members will be required to wear face masks while serving around the world due to government regulations in most countries. You can help our Team Members go and share the Gospel around the world by making face masks!

These instructions come from the CDC website (www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-make-cloth-face-covering.html). For step by step pictures, please look at either the CDC page or MOST Ministries page (www.mostministries.org/face_masks/). These are examples - feel free to use any face mask instructions!

If you have any questions, please contact MOST Ministries.

Completed Face Masks Can Be Mailed To:

Ann Arbor, MI 48108

Sewn Face Masks

Materials Needed:

- Two 10"x6" rectangles of cotton fabric
- Two 6" pieces of elastic (or rubber bands, string, cloth strips, or hair ties)
- Needle and thread (or bobby pin)
- Scissors
- Sewing machine

Instructions:

1. Cut out two 10-by-6-inch rectangles of cotton fabric. Use tightly woven cotton, such as quilting fabric or cotton sheets. T-shirt fabric will work in a pinch. Stack the two rectangles; you will sew the mask as if it was a single piece of fabric.
2. Fold over the long sides $\frac{1}{4}$ inch and hem. Then fold the double layer of fabric over $\frac{1}{2}$ inch along the short sides and stitch down.
3. Run a 6-inch length of $\frac{1}{8}$ -inch wide elastic through the wider hem on each side of the mask. These will be the ear loops. Use a large needle or a bobby pin to thread it through. Tie the ends tight. Don't have elastic? Use hair ties or elastic head bands. If you only have string, you can make the ties longer and tie the mask behind your head.
4. Gently pull on the elastic so that the knots are tucked inside the hem. Gather the sides of the mask on the elastic and adjust so the mask fits your face. Then securely stitch the elastic in place to keep it from slipping.

Non-Sewn Face Masks

Materials Needed:

- Washable, breathable fabric (cut approximately 20"x20")
- Rubber bands (or hair ties)
- Scissors (if you are cutting your own cloth)

Instructions:

1. Fold washable, breathable fabric in half.
2. Fold top half down to the middle. Fold bottom half up to the middle.
3. Place rubber bands or hair ties about 6 inches apart.
4. Fold side to the middle and tuck.
