RE: PLEASE DISMISS FALSE CHARGES ON MR. COBBLE;
Case 12-cr-0038; Gov'mt Must Deal w/ Insurance Fraud

Dear Judge Shepherd,

I learned about the highly questionable indictment / charges filed on Daniel Cobble at www.prose-litigants.org. And I am appalled that such things could happen in Our justice system. Are they true? If so, then I request of you to dismiss the indictment on Mr. Cobble.

If Mr. Cobble has uncovered auto insurance fraud amongst governmental and transportation business officials, then you and other law enforcement have a responsibility to address these matters, **to protect the public**. You have taken your Oaths-of-Office to do so.

Thank you very much, Judge Shepherd.

Very truly yours,
